Logging into SLED: Dashboard

Upon logging in to SLED, you will be able to see disaggregated student data for your LEA, school, or students. This depends on your user role.

The screenshot displays the SLED (Statewide Longitudinal Education Data) dashboard in a training environment. The header includes the SLED logo, the text "Statewide Longitudinal Education Data - Training Environment", and the District of Columbia Office of the State Superintendent of Education logo. A navigation bar contains links for Home, Library, Reports, Search, Programs, Related Sites, and Help, along with a search bar and a Logoff button. The main content area is titled "Current Roster (uncertified)" and features several data visualization sections, each with a table and a "Student Total" column. These sections are: "Sector", "Race and Ethnicity", "Gender", "Ward of Residence", and "Grade Level". Each section has a dropdown menu for selection and a "Total" column. A red arrow points to the "Grade Level" section, highlighting a download icon (a document with a downward arrow) located in the top right corner of the table's header area. The footer contains copyright information: "© 2015 OSSE. Brought to you by District of Columbia Office of the State Superintendent of Education. Contact Us: sled.info@dcs.gov".

You can download sections of data to a PDF or an Excel file.
